

Compressor for plaster sprayers

The most reliable
in its class

60 Hz

Compressor IM250

115V/60Hz 0.55 kW Sph
Model # 1107546

MAXIMUM MOTOR PERFORMANCE

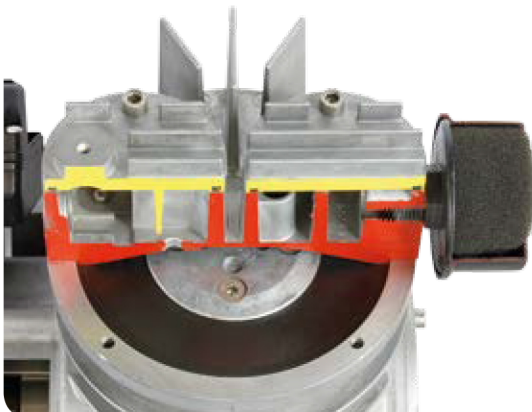

Separate cooling of the electric motor and compressor allows for continuous duty and a long life.

Power	1 HP
Flow rate	9 CF/m
Maximum pressure	60 PSI
Heavy Duty service	110 V

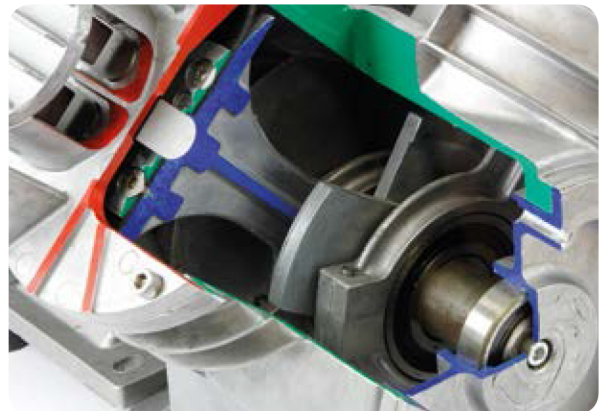

100%
IMER
production

REPLACEMENT OF THE AIR FILTER

Air filter replacement is quick and easy.

ONE PIECE CRANKSHAFT

One piece compressor motor crankshaft produces maximum mechanical performance effortlessly.
