

The
Shower Drain RelocatorTM

• **Extendable up to 32 inches**
Package A comes with a male and female elbow, 6" and 18" fittings, 2 couplers, 2 u-shims, and a flat shim allowing you to extend as far as 32".

• **Eliminates Demolition**

CODA screws right into the existing drain, over the waterproofing. Just measure, glue, install & you're done!
