Core Drills

Everyday Field Independence

Choose the Kor-Mobile that fits your budget and requirements!

Reduces job costs

- Near-zero setup time
- Longer bit life with very stable drilling platform
- Drills faster with a high horsepower gasoline or hydraulic system

Independence in the field with gasoline or hydraulic powered trailer mounted drilling system

- Stand-alone system, no additional power source required
- Power sources available: 21 to 34 HP to 26 to 67 HP
- 200-gallon polyethylene horizontal water tank and 12 VDC water pump

Years of use and dependable performance with stable drilling platform

- Heavy-duty, precision-ground dual columns
- Tenzaloy precision machined carriage assembly
- Designed for large and small hole drilling
- Smooth, precision ball feed screw system

K-160-Gxx KOR-MOBILE Trailer System Includes:

- 17 HP gasoline powered drill head with electric start, 16 inch bit capacity and 24-inch travel.
- Variable drill head positioning system, which allows drill head movement of approx. 43 inches side to side and 12 inches fore and aft for accurate hole placement.
- Hydraulic assisted machine lift, for single-handed removal and replacement of the drill head for remote drilling applications.
- Lockable, weather resistant toolbox for securing all your drilling accessories.
- 200-gallon water tank and 12 VDC water pump
- 5 ft. by 8 ft. steel construction trailer, equipped with electric brakes and pre-wired for brake and tail lights

K-160-G616 KOR-MOBILE Trailer System Includes:

- adds 8-inch auger capabilities to the K-160

Model	Horse Power	Cycle	Bit Capacity	Auger Capacity	Carriage Travel
K-150-G 16	17	4	16 inch	N/A	24 inch
K-160-G 15	17	4	16 inch	N/A	24 inch
K-160-G 616	17	4	16 inch	8 inch	24 inch
K-160-Hxx	26 to 67	N/A	16 to 52 inch	N/A	36 to 60 inch
K-160-G24	17	4	24 inch	N/A	24 inch

If you don't see it but need it, we'll design and build it!
