

Heavy Duty Production Drilling

Everyday Field Independence

K-700

Versatile and Portable
For Road, Bridge and
Utility Contractors

Everything for a full
day of drilling

**SAVING TIME INCREASES
PROFIT POTENTIAL**

**Attaches Easily to Most Skid-Steer Units
Cores Small and Large Holes with Equal Ease**

Heavy Duty Production Drilling

Everyday Field Independence

KOR-IT K-700HRxx System:

Reduces job costs

- Minimizes time required for each job
- Longer bit life with stable drilling platform
- Drill faster with high horse power hydraulic system

Independence in the field with skid-steer hydraulic powered bucket mounted drilling system

- Stand-alone system, no additional power supplies required
- 60 gallon polyethylene horizontal water tank reservoir and 12VDC pump

Years of use and dependable performance with stable drilling environment

- Heavy duty, precision ground column and tenz alloy precision machined carriage assembly
- Designed for large and small holes
- Smooth precision roller carriage system

Flexible drilling system

- Easy removal bucket system from skid-steer for maximum flexibility
- Accurate hole positioning and easy alignment of drill platform
- Up to 48" diameter core bit capacity
- Optional: Auto Feed System. Drill head operates up/down for large hole drilling. Drill head positioner for quick, accurate hole locating

Model #	Bit Capacity	Hydraulic Requirement	Carriage Travel*
K-700-HR12	12-inch	12GPM @ 2500PSI	36 inch
K-700-HR24	24-inch	15GPM @ 2500PSI	36 inch
K-700-HR36	36-inch	24GPM @ 2500PSI	36 inch
K-700-HR48	48-inch	40GPM @ 2500PSI	36 inch

*Optional carriage travel up to 72-inches available

If you don't see it but need it, we'll design and build it!
