Ventiques is here to offer a solution for flooring installers and homeowners alike - vents that are as unique as your floors. Over the years, we found that ordinary, overlapping, raised drop-in floor vents don't add anything to a home's look, feel, or value. We set out to create a custom product that is functional and stylish, but also easy to install for skilled craftsman and DIY homeowners.

- **Smooth Transition**
- **Easy Installation**
- **Multiple Styles & Finishes**
- **Functional/Stylish**

**All our vents include a Frame
& Vent Insert**
